

Lucy Claw

Nature Textiles

Since she graduated in 2004 Lucy Claw has been putting her degree in Textile and Surface Design to great use as a freelance designer producing fashion and interior works which have been sold worldwide.

Lucy is inspired by the urban world and her contemporary textiles begin life as sketches of her environment.

She has developed her own unique style of embellishment which sees her applying glossy textures, beautiful appliqué and hand-embroidered stitching to her wool and cashmere designs.

In her exclusive collections for TROWBRIDGE, Lucy draws upon the natural, classic shape of foliage in an aesthetically contemporary fashion.

Her delicately appliquéd textiles, using a range of quality materials in calming shades are the next generation in fabric design. The finely crafted simplicity of her forms have a timeless appeal, with foliage that looks good in any season.

Through her willingness to experiment and a personal flair, Lucy's effective combination of well-placed cuttings create a three dimensional aspect to each hand made piece with added bold style.
