Going on Holiday

Certainly one to bring a smile to your face. Action and adventure is great but sometimes, just sometimes, you need a tortoise walking on a beach with a suitcase.

Bouquet of Colours

Artist Charlotte Morgan has taken floral still life as her inspiration for these works. There are suggestions of blossoms, fruit and dappled sunlight, with the provocative choice of colour adding to the impressionistic feel.

Embellished Palms

Artist Liz Clayton's cool take on the fronds of a palm tree is optically brilliant. Could those bright silver circles be raindrops, or perhaps refractions of light through leaves on a scorching hot day?

Handmade to order with Silver Embesllishments
